Objection send via any other means than e-mail to the given e-mail ID shall not be entertained.

34. **Terms & Condition**

- The agency should be resourceful with electrical contractors' license and have previous experience of doing such type of work or similar nature of work. The pump operators engaged by the agency should have some technical expertise and have sufficient of experience of operating pump motor set including rectification of minor defects of electrical and plumbing system. The electrician engaged by the agency should have sufficient experience including necessary technical qualification (Part (b) or part III) for maintaining the electrical installations of the building/campus.
- Prior to engagement of any manpower, the agency should forward THE NAMES OF THE PERSONS SUPPOSED to be engaged to the concerned Sub-Assistant Engineer/ Assistant Engineer with copy of Executive Engineer stating personal data of that particular person e.g. name of the person, age, address, educational qualification, technical qualification, previous experience etc. along with copy of proof of identity. These documents are to be kept as record in the office of concerned Sub-Assistant Engineer/ Assistant Engineer with copy of Executive Engineer.
- The agency should maintain an attendance register from 6 am to 2 pm (first shift) and 2 pm to 10 pm(second shift) may be change as order by authority, duly certified by Sub-Assistant Engineer/ Assistant Engineer. The concerned Sub-Assistant Engineer should check it once in a fortnight, the Assistant Engineer should check it quarterly and Executive Engineer should check it once in a year .The agency will have to maintain logbooks in such a manner so that at least one logbook may be available at site as and when asked
- The agency should responsible for payment of minimum wages to the engaged person as per Labour Department's circular in vogue. The bill produced by the agency must contain a certificate the engaged persons were paid complying the minimum wages circulars issued by Labour Department. Non-compliance of the same may lead to termination of the contract.
- The pump operator of each shift will perform their duties as per specification in electrical maintenance. The pump operator should operate the pumps, regulate valves. He should also be responsible for minor maintenance of pump motor set, starter, and main switch etc. including allied plumbing works.
- The Agency should vis-à-vis the manpower engaged by the agency should be penalized for sluggish response to fault rectification/delay in attending complain/wages of water due to unnecessary running of pump motor set and penalty may be imposed for such type negligence on the part of agency. The amount of penalty will be determined & imposed by Engineer-in-charge.
- The persons on duty, under no circumstance should leave the site without prior approval for concerned Sub-Assistant Engineer/ Assistant Engineer. If such type of complains are repeated, the agency must replace that particular person failing which the agreement will be terminated.
- The agency should responsible for the water supply system and electrical installation of the building/campus and will hand over the same in good condition after expiry of the contract to the concerned Sub-Assistant Engineer/ Assistant Engineer. Any failure on this part will make the agency liable for paying which will be determined and imposed by the Engineer-in-charge.
- Agency will submit bills / invoices as per price schedule and in that case bills may be scrutinized and submitted by the supervising officers and paid to him as and when possible since such officers remain very busy with considerable number of works and can not devote all their time to a single work.
- Payment will be made as per availability of fund & no such claim for delay in payment would be entertained.
- Non tendered items of work must not be executed without written instructions from the Chief Engineer of WBPHIDCL. All decisions/instructions and/or directions should be followed by written documentation by none below the rank of Sub-Assistant Engineer(Elect.).
- No item of work must not be executed in excess beyond 10% (Ten percent) of the quantity given in the priced schedule of the tender without written instruction of the Chief Engineer, WBPHIDCL. It must however, be clearly understood that for any such excess execution of work, he will be paid at the same rate as is provided in the tender and no extra payment either by enhancement of rate or otherwise will be entertained. Any major defect during the period of 01(one) year after completion of the work must be corrected free of cost.
- The Agency should obtain Labour License from the competent authority before execution of works and to be submitted to the Engineer-in-charge . Labour Welfare Cess will be deducted @1% of bill amount.
- He will please place the all such materials, fittings, fixtures etc. for approval to the aforesaid officers before the same are supplied at site. Any construction/work executed with non approved materials, fittings fixtures etc. is liable to entire rejection and in such case, he will be entirely responsible for the damage or loss suffered thereof and no claim what so ever will be entertained in this regard.The relevant technical leaflet, remote controller must be handed over along with warranty card to the undersigned.

- Agency will please engage suitable Technical Hands having technical qualifications and experience for the work and submit the names and particulars of such persons and of any other representative with Registered Power of Attorney in stamped paper to receive departmental materials and all instructions and decisions.
 - In case of failure on the part of contractor to rectify any defect when asked to do so within specified time limits, this may be done by Engineer In charge at the cost of the contractor without further notice which will be subsequently deducted from his bill.
 - All possible precautions so as to ensure safety against probable accidents should be taken. Contractor will remain responsible for his labour I respect of his liabilities under the workman compensation act etc. He must deal with such cases as prompt as possible.
 - No compensation will be paid by the department for any damage done by rain, flood, Cyclone or by any other natural calamities, laboures made idle, labour strike, public agitations or riot and so the rates of the contractor should include all such contingency during the execution of work.
 - Materials must be from authorized dealer/agent.
35. Before issuance of he WORK ORDER, the tender inviting authority may verify the credential and other documents in original of the lowest tenderer if necessary. After verification if it is found that the documents submitted by the lowest tenderer is either manufactured or false in that case the work order will not be issued in favour of the said Tenderer under any circumstances and the Earnest Money deposited by the Tenderer will be forfeited by the Tender Inviting Authority without assigning any reason thereof.
36. Work Order & Payment of work will depend on availability of fund. Intending tenderers may consider this criteria while submission of tender and quoting their rate through offline.
37. The successful Tenderer will have to submit **Four** sets of all the Tender Documents along with BOQ in connection with this Tender in hard copy within 10 (Ten) days from the date of receipt of Letter of Acceptance for the Tender. Failure to do so will be liable to termination/rejection of Tender with forfeiture of Earnest Money without any reference to the Contractor.
38. The successful Tenderer will have to start the work as per work order to commence the work. Failing to do so will constitute a violation of the contract stimulation as regards progress and timely completion of the work and the contractor will thereby make himself liable to action as per stipulation of this Notice Inviting Tender.
39. For electrical work the agency should engage Electrical Supervisor, who will hold the valid and requisite part of Supervisory Competency Certificate (SCC) issued by the West Bengal Licensing Board under the department of Power and Renewable Energy Source, Govt. of West Bengal. The agency should show the said the Supervisory Competency Certificate (SCC) as and when required by the corporation.
40. Tax invoice(s) needs to be issued by the supplier for raising claim under the contract showing separately the tax changed in accordance with the provisions of GST Act, 2017.
41. **The quoted rate should be inclusive of GST.**
42. **All disputes arising out of or in any way connected with this contract/ tender shall be deemed to have arisen in Kolkata and only courts in Kolkata shall have jurisdiction to determine the same.**
